|                               | <ul style="list-style-type: none"> <li>• Explain DHCP</li> <li>• Explain SQL Server</li> </ul> <p>- Understand the third party dependencies of Workspace ONE</p>  |
| VMware Products and Solutions | <p>- Identify and describe VMware Unified Endpoint Management</p> <ul style="list-style-type: none"> <li>• Explain Workspace ONE Intelligence features and functions</li> <li>• Explain Workspace ONE Assist features and functions</li> <li>• Explain (AirWatch) Cloud Connector features and functions</li> <li>• Explain (AirWatch) Email Notification Service features and functions</li> <li>• Explain VMware Unified Access Gateway Service under VMware Unified Endpoint Management</li> </ul> <p>- Identify and describe VMware Horizon</p> <ul style="list-style-type: none"> <li>• Explain VMware App Volumes features and functions</li> <li>• Explain VMware Unified Access Gateway Service under VMware Horizon</li> <li>• Explain VMware vSphere features and functions</li> <li>• Explain Dynamic Environment Manager features and functions</li> <li>• Identify the different types of Horizon Cloud environments (Cloud, AWS, Azure, etc.)</li> </ul> <p>- Identify and describe Workspace ONE Access features and functions</p> <ul style="list-style-type: none"> <li>• Explain Workspace ONE Access Connector purpose</li> </ul> <p>- Identify VMware Productivity Apps</p> <ul style="list-style-type: none"> <li>• Explain VMware Workspace ONE Intelligent Hub features and functions</li> </ul> |

| Section                                    | Objectives   |
|--|--|
|  | <ul style="list-style-type: none"> <li>• Explain VMware Horizon Client features and functions</li> <li>• Explain Workspace ONE Boxer features and functions</li> <li>• Explain VMware Workspace ONE Tunnel features and functions</li> </ul>   |
| Planning and Designing                     |  |
| Installing, Configuring, and Setup         |  |
| Performance-tuning, Optimization, Upgrades |  |
| Troubleshooting and Repairing              | <ul style="list-style-type: none"> <li>- Describe the VMware resources available to assist with troubleshooting (KB, Pubs, Docs, TechZone, etc.)</li> <li>- Explain how to gather Horizon Agent, Horizon Client, App Volumes Agent logs, etc.</li> <li>- Explain how to gather Intelligent Hub, Boxer, Web, Workspace ONE Content, etc.</li> </ul>   |
| Administrative and Operational Tasks       | <ul style="list-style-type: none"> <li>- Perform administrative tasks in VMware Horizon               <ul style="list-style-type: none"> <li>• Use Horizon to entitle desktop pools                   <ul style="list-style-type: none"> <li>- Use the Horizon dashboard and helpdesk tool for monitoring</li> <li>- Install and use the Horizon Client</li> <li>- Navigate through Horizon Administrator and identify its elements</li> </ul> </li> </ul> </li> <li>- Perform administrative tasks in VMware App Volumes               <ul style="list-style-type: none"> <li>• Assign an entity to an App Volumes application package and /or writeable volume</li> <li>• Navigate through App Volumes Manager and identify elements</li> </ul> </li> <li>- Perform administrative tasks in Dynamic Environment Manager               <ul style="list-style-type: none"> <li>• Verify user settings with VMware Dynamic Environment Manager helpdesk tool</li> </ul> </li> </ul> |

| Section | Objectives   |
|---------|--|
|         | <ul style="list-style-type: none"> <li>• Navigate through Dynamic Environment Manager Console and identify elements</li> <li>- Perform administrative tasks in Horizon Cloud               <ul style="list-style-type: none"> <li>• Access and navigate the Horizon Cloud Control Plane</li> </ul> </li> <li>- Perform administrative tasks in Unified Endpoint Management for device management               <ul style="list-style-type: none"> <li>• Enroll a single device through MDM enrollment methods using Intelligent Hub</li> <li>• Run device inventory reporting</li> <li>• Conduct device inventory maintenance (deleting device, etc.)</li> <li>• Verify profile assignment and installation</li> <li>• Review device status from the devices dashboard (Devices &gt; dashboard)</li> <li>• Verify compliance policy assignments and status in the Unified Endpoint Management dashboard</li> <li>• Verify user and assignment group</li> </ul> </li> <li>- Perform administrative tasks in Unified Endpoint Management email management               <ul style="list-style-type: none"> <li>• Understand and navigate the Mail Dashboard and identify its elements</li> </ul> </li> <li>- Perform administrative tasks in Unified Endpoint Management for content management               <ul style="list-style-type: none"> <li>• Understand and navigate the Content Dashboard and identify its elements</li> </ul> </li> <li>- Perform administrative tasks in Unified Endpoint Management for application management               <ul style="list-style-type: none"> <li>• Install productivity applications on mobile devices</li> </ul> </li> </ul> |

| Section | Objectives  |
|---------|---|
|         | <ul style="list-style-type: none"> <li>• Assist end-users with WS1 Intelligent Hub</li> <li>• Verify app assignment and installation</li> <li>• Identify Resources (Internal, Public, and Purchased resources)</li> </ul> <p>- Perform administrative tasks in Workspace ONE Intelligence</p> <ul style="list-style-type: none"> <li>• Generate reports</li> <li>• View device and application data with Dashboard and Widget</li> </ul> <p>- Perform administrative tasks in Workspace ONE Access</p> <ul style="list-style-type: none"> <li>• Navigate the Access console and identify its elements</li> <li>• Verify application assignment</li> </ul> |

## VMware 1V0-61.21 Sample Questions:

### Question: 1

An administrator needs to integrate Workspace ONE. Access with their organization's on-premises infrastructure to provide directory integration and user authentication.

Active Directory, RADIUS, and HSA SecurID are present in the organization. Which VMware Digital Workspace product meets the requirement?

- a) Workspace ONE Mobile Flows Connectors
- b) AirWatch Cloud Connector
- c) Unified Access Gateway
- d) Workspace ONE Access Connector

**Answer: a**

### Question: 2

Which operating system is workspace ONE Tunnel not currently available for?

- a) Windows
- b) Andriod
- c) iOS
- d) Linux

**Answer: d**

**Question: 3**

What is the correct method for gathering Horizon agent logs?

- a) From the desktop where Horizon Agent is installed, run the command `sys report._full.cmd`.
- b) From the desktop where Horizon Client is installed, run the command `imvtutil -verbose`.
- c) From the desktop where Horizon Connection Server is installed, run the command `wmwaresviconfig- log`.
- d) From the desktop where Horizon Agent is installed, run the command `support.bat`.

**Answer: c**

**Question: 4**

Which application is used by end users to view application assignments from both UCM and Access on their mobile device?

- a) Launcher
- b) Boxer
- c) Workspace ONE
- d) Intelligent Hub

**Answer: c**

**Question: 5**

After testing a new App Volumes application package containing a major update to a specific application, how can an administrator assign the updated version of the application to users?

- a) Update the package stage in App Volumes manager.
- b) Update the App Volumes Agent on the user's systems,
- c) Change the current market setting for the package in the App Volumes Manager.
- d) Change the version setting for the application in the App Volumes Manager.

**Answer: c**

**Question: 6**

Where would an Administrator configure Virtual Apps to be accessed through Workspace ONE Intelligent Hub?

- a) Workspace ONE Access
- b) Workspace ONE Intelligent Hub
- c) VMware Horizon Console
- d) Workspace ONE UFM

**Answer: b**

**Question: 7**

What Workspace ONE UEM feature allows administrators to assign profiles and applications to device or users based on specified search criteria?

- a) Dynamic: Groups
- b) Smart Groups
- c) Search Groups
- d) Auto Groups

**Answer: b**

**Question: 8**

How can a Workspace ONE UEM admin gather logs from a managed device?

- a) Use OS-based targeted logging.
- b) Use device-side logging.
- c) Use platform side logging
- d) Use platform based targeted logging.

**Answer: b**

**Question: 9**

Workspace ONE “conditional access” requires which of the following components?

- a) Workspace ONE Assist
- b) Workspace ONE Boxer
- c) Workspace ONE Intelligence
- d) Workspace ONE Access

**Answer: d**

**Question: 10**

Workspace ONE “Mobile\* SSO” requires which of the following components?

- a) Workspace ONE Access
- b) Workspace ONE Assist
- c) Workspace ONE Intelligence
- d) Workspace ONE Boxer

**Answer: a**

# Study Guide to Crack VMware VCTA-EUC 2024 1V0-61.21 Exam:

- Getting details of the 1V0-61.21 syllabus, is the first step of a study plan. This pdf is going to be of ultimate help. Completion of the syllabus is must to pass the 1V0-61.21 exam.
- Making a schedule is vital. A structured method of preparation leads to success. A candidate must plan his schedule and follow it rigorously to attain success.
- Joining the VMware provided training for 1V0-61.21 exam could be of much help. If there is specific training for the exam, you can discover it from the link above.
- Read from the 1V0-61.21 sample questions to gain your idea about the actual exam questions. In this PDF useful sample questions are provided to make your exam preparation easy.
- Practicing on 1V0-61.21 practice tests is must. Continuous practice will make you an expert in all syllabus areas.

## Reliable Online Practice Test for 1V0-61.21 Certification

Make VMExam.com your best friend during your Associate VMware End-User Computing exam preparation. We provide authentic practice tests for the 1V0-61.21 exam. Experts design these online practice tests, so we can offer you an exclusive experience of taking the actual 1V0-61.21 exam. We guarantee you 100% success in your first exam attempt if you continue practicing regularly. Don't bother if you don't get 100% marks in initial practice exam attempts. Just utilize the result section to know your strengths and weaknesses and prepare according to that until you get 100% with our practice tests. Our evaluation makes you confident, and you can score high in the 1V0-61.21 exam.
